

We, the Whynot Academy Annual Staff
of 1970-71 proudly present the first
edition of the Rebel Yell. The
annual staff takes you through a
tour of past experiences, so sit
back and take a peek.

It is our sincere desire or hope
to recapture in pictorial form the
events of this past year, for this year
is the year that was and is no
more, except in our lingering memories.

As editor of the Rebel Yell, I would like to thank the annual staff workers for their time and patience spent working on the annual. I know there have been many hardships and rough roads to travel, but the annual workers have stuck it out and to them I would like to thank. I would also like to thank the sponsor, Miss Kelly, who has helped us in many ways.

In future years, I hope one will be able to look back into the pages of the 1970 - 71 annual and remember the work and fun we experienced.

Your Editor,

Brenda McKee

M. E. Rhodes

Education is the knowledge of how to use the whole of oneself. Many men use but one or two faculties out of the score with which they are endowed. A man is educated who knows how to make a tool of every faculty — how to open it, how to keep it sharp, and how to apply it to all practical purposes. —

H. W. Beecher

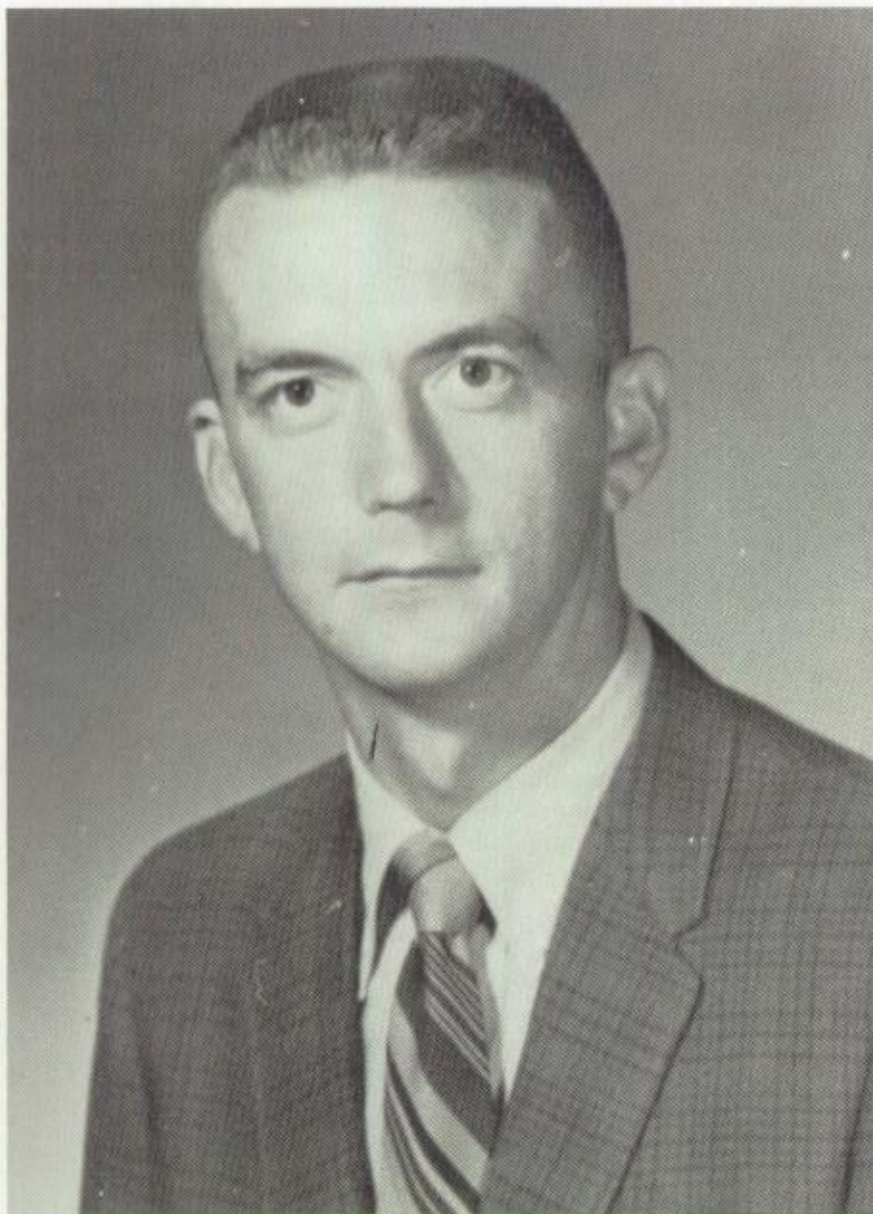

This quote reminds us of a man who firmly believes in education. This is why the Rebel Yell Staff of Whynot Academy would like to take the privilege of dedicating our first annual to Mr. M. E. Rhodes, our first headmaster. He inspired all students to fulfill their purpose in school, and to make use of the tools available to them. This is why he will always remain in our hearts as a man of great dignity.

HEADMASTER

Dear Students:

When youth has changed to maturity, the joys of high school are relived over and over again as you thumb through the pages of this book and recall the happiness and squabbles caused by friends and pesky teachers that have tried so hard to help prepare you for a useful life.

As you leave here and go out into the world may you always remember, "the good old days" at Whynot. Remember to always let God be your co-pilot in everything you do.

May I leave this thought with you, "The world steps aside for any man who knows where he is going."

Jerry Wilkerson

The family behind the man.
